About the Property

Now $1.449M A Compelling Alternative to Condo and Townhome Living in Avalon! This home presents a rare opportunity to own a detached single-family home offering the privacy, outdoor space, and flexibility that condos and townhomes cannot match. Thoughtfully repositioned for today s market, this home presents an attractive entry point into Avalon for buyers seeking both immediate enjoyment and long-term potential. This 3-bedroom, 2-bath elevated cottage features a bright, open living area and a generously sized private yard, both ideal for entertaining, relaxing, dining, or future enhancements. Located near the bay and recently updated public piers, the home sits within a well-established neighborhood known for its charm and accessibility. Ample on- and off-street parking adds to the ...
