About the Property

From the moment you arrive, this extraordinary 7 bedroom, 3 full and a half bath residence in spectacular St. Leonard's Tract captivates with an undeniable sense of character and craftsmanship that is felt at every turn. A welcoming front porch sets the tone, leading into a grand foyer with soaring ceilings that immediately convey the scale and elegance of the home. The foyer is flanked by a formal living room and formal dining room, each rich with architectural detail and warmth. Throughout the home, stunning hardwood floors, seemingly original and perfectly suited to the home's character, create a seamless sense of continuity and charm. An exposed brick morning room offers a serene space to relax and unwind, adding yet another layer of texture and authenticity. Spanning three level ...
