About the Property

Exceptional top floor unit at the exclusive Commodore Bay Club Condominiums. This Seafarer style unit overlooks the beautiful 110 boat slip marina with gorgeous western, unobstructed views of the bay and fabulous sunsets. Only eight of the 24 units at Commodore Bay Club are Seafarer style which offers 56 feet of water frontage and a floor plan allowing the living room, dining area, den and primary bedroom to be directly bay front to enjoy the spectacular views. The sun deck at 43 feet expands nearly the entire width of the unit. The kitchen has been renovated with white, shaker style cabinets, quartz tops, stainless steel appliances and attractive wood look flooring. There is a large living area with gas fed fireplace, kitchen with counter bar and a large dining area, all with easy access ...
