About the Property

OCEAN FRONT! And NOW with a Building Permit from the State of NJ, which includes a 16' X 24' POOL! This remarkable location offers the only opportunity of its kind and is unrivaled anywhere in nearby coastal towns, let alone in Avalon Stone Harbor! The distinctive nature of this property stems from the location ON the oceanfront, while being secluded in a private residential setting with no traffic, and with uniquely close proximity to ever-changing, mesmerizing scenery! The breadth of view is simply staggering beginning with a gorgeous sunrise each morning, across the inlet, up the coastline about 20 miles to the Atlantic City skyline (a beautiful sight in the evening), and East out into the vast open ocean! You ll enjoy refreshing breezes, and throughout the day, relish a special a ...
