About the Property

Nestled in the dunes overlooking the Delaware Bay in Cape May Beach with a new sunset drawn out every night. This isn't just any beach property this is one of the few remaining homes with untouched, naturally protected dunes on the bay side of New Jersey preserving the raw, unspoiled coastal experience which adds long-term prestige and aesthetic value. This 3 level home offers views from all rooms after it was expanded and modernized inside and out in 2011. The first floor features an open tiled foyer with storage and an oversized garage with a finished epoxy floor. The second floor has a wet bar and entertaining area, 3 bedrooms with access to a screened porch overlooking the bay. The top floor is breathtaking as you enter and see water as far as the eye can see. The top level has v ...
