About the Property

Exceptional commercial property in a prime location! Situated on a highly visible corner lot with over 36,000+- cars passing daily, this property offers approximately 3,500 sq. ft. of flexible space in the heart of Somers Point's General Business (GB) zone. The ground floor features an open layout that can be divided into separate offices, with two entrances, plus a rear retail office space. The second floor includes additional office space and a full bathroom, ideal for various business needs. The GB zoning allows for a wide range of uses, including retail shops, professional offices, restaurants, beauty salons, health clubs, and more. With its unbeatable location across from the new Chick-fil-A and Panera Bread, ample parking, and easy access to major roadways, this property is perfect ...
