About the Property

This brand-new Masterpiece features a never-before-offered floor plan and will be located just four homes from one of the most breathtaking beaches on all of 7 Mile Island. Designed with entertaining in mind, the home offers seven spacious bedrooms, each with its own en-suite bathroom, along with expansive indoor living areas and fully covered outdoor decks on both the first and second floors. The layout includes three bedrooms on the first floor and two bedrooms on both the second and third levels, creating ideal separation and privacy for family and guests. The oversized rear yard will boast a heated pool, hot tub, full garage, and a cabana, offering the perfect outdoor retreat. Situated on highly sought-after 60th Street, this location is known for its low density, gentle dune elevation ...
