About the Property

Another Tom Clancy Development Group & OSK Design Partners Masterpiece. This newly constructed luxury residence that has taken quality construction to an entirely new level in Wildwood Crest. Walk through the rest and then experience the best. From the moment you arrive, the James Hardie Board siding with seamless corners sets a tone of timeless craftsmanship, free from the shortcuts often seen in modern builds. Constructed with 2x6 framing, 5 8 drywall, and extensive sound insulation, this home offers superior durability, energy efficiency, and comfort that discerning buyers will immediately appreciate. Inside, the design is both sophisticated and inviting. Sunlight dances through the expansive windows, illuminating every corner of this open living concept. The warmth of the hicko ...
