About the Property

Coming summer 2026 - Stone Harbor s newest bayfront masterpiece. An extraordinary custom estate imagined by DANDRA Developers, crafted by Winfield Developers and designed by Halliday Architects. Situated on the highly desired Carnival Bay with sixty feet of bay frontage, this home blends timeless Nantucket-inspired architecture with modern luxury, offering the ultimate in coastal living. Spanning over 3,300 sq ft of interior living space, the residence features six bedrooms, six full bathrooms and one powder room, as well as multiple indoor outdoor gathering areas across three levels. The ground floor offers plenty of storage and direct access to the rear patio and bayside pool. The elevated first floor hosts the main living level showcasing a stunning open-concept design with a che ...
