About the Property

Oceanfront Living, Reimagined. Fall asleep to the soothing sound of crashing waves and wake to panoramic ocean views down the coastline that make every morning feel like a retreat. This exceptional oceanfront residence offers 5 bedrooms, 5 full bathrooms, and a half bath comprehensively renovated by DL Miner with a level of craftsmanship and coastal elegance that is truly best-in-class. Every detail of the home has been thoughtfully curated, balancing refined design with elevated functionality. Perfectly positioned on a premium street with no utility poles or overhead lines, your views remain unobstructed from nearly every angle. Situated on the south side of the street, the backyard enjoys optimal sunlight throughout the day and well into the late afternoon. The beach is beautifully ...
