About the Property

JCM Development delivers once again, seamlessly blending high-end craftsmanship with a thoughtfully designed custom floor plan that maximizes both luxury and functionality. This meticulously built home will feature five spacious bedrooms, each with its own en-suite bath, along with two well-placed powder rooms for added convenience. The home offers additional living space that opens directly to a spacious backyard and ground-level entertaining area, complete with a 12 x 22 gunite pool. Nearly 700 square feet of enclosed garage and ground-level space provides ample storage and flexibility + over 600 square feet of deck space including large southern-facing decks. Perfectly situated in the heart of Avalon's renowned downtown business district, this home is just a short walk to the Un ...
