About the Property

Presenting 207 120th Street a newly constructed 3,427 sq ft, 6-bedroom, 5.2-bath luxury residence just one short block from the beach in the ultra-exclusive South End of Stone Harbor. This one-of-a-kind, fully furnished coastal-luxe residence, designed and built by Mashura Builders, seamlessly blends elevated craftsmanship with refined modern coastal elegance. A warm, welcoming covered front porch leads into a spacious first-level foyer, highlighted by a stunning staircase and private elevator providing effortless access throughout the home's generous floor plan. This level offers four bedrooms, including two with ensuite baths, along with a thoughtfully designed two-bedroom guest suite with a full bath, ideal for visiting family. Also included are a laundry room and a large entertai ...
