About the Property

Builders and Investors, This property presents an incredible opportunity for development or a custom renovation. Now offered at a new market price, this spacious three-bedroom, two-bathroom home is ideal for those seeking a "handyman special" with multi-generational potential. Located on a secluded road, the property offers the flexibility and character needed to create a family compound, investment rental, or a home with separate living quarters. It's unique position makes it an excellent option for builders and contractors with creative development ideas. Please note that the property is being sold in "as-is" condition with no warranties expressed or implied, providing you the full freedom to renovate according to your specific requirements. Call or text today for your private showin ...
