About the Property

Welcome to the Buttercup Condos. This Spacious one bedroom condo located on the back outside corner has a private entrance and patio area. Your oversized parking spot is also right outside of your door which allows for easy in and out. When you walk into the property you see an optional bedroom in the front room You could keep it this way or turn it back into a sitting area. The next room has a comfy couch, TV, a table for 2, and refrigerator. The kitchen area is a sink, gas top stove, top & bottom cabinets and counter space for prepping. There is a full bathroom with a tub. The bedroom has ample space and good-sized closet. There is a common outside shower. You also have a storage box for your beach goodies. The owner just put in new flooring throughout, new screen door, bathroom, and th ...
