About the Property

4 bedroom, 3.5 bath single-family home located just a short distance to the beach in Wildwood Crest. Built in 2011 and offering nearly 3,000 square feet of living space, this well maintained home has been owned by the same owner since construction. The layout features two separate living areas and a fireplace inset, creating comfortable gathering spaces for family and guests. The kitchen includes granite countertops, stainless steel appliances, and a gas stove. Enjoy two second-floor decks along with a rear patio area for additional outdoor space. Additional features include an outdoor shower, multiple-zone central air (compressor replaced approximately 5 years ago), gas forced-air heat, and a 1.5 car garage with ample storage for bikes and beach gear. Excellent opportunity in a prime W ...
