About the Property

Discover the best of coastal living in this stunning new construction home, where luxury meets comfort in an impressive 4,200 sq ft of meticulously designed living space, ideally a corner property located just 1 block to The Beach. Featuring 5 spacious bedrooms and 4 and a half baths, this single-family home is perfect for families seeking both style and functionality. Step outside onto the expansive 700 sq ft of deck space, where breathtaking ocean views invite you to unwind and savor the serene coastal lifestyle. With a total of approximately 4,900 square feet, plus a convenient two-car garage (side by side parking) and additional parking on paver driveway, this home perfectly accommodates your wants and needs. The thoughtful layout includes 2 master bedroom suites and a junior suite, en ...
