About the Property

Perfectly positioned on a prestigious corner in the heart of Stone Harbor, this exceptional new construction by SeaLuke Developers blends timeless coastal elegance, thoughtful architectural design, and beautiful bay and sunset views. Ideally located just a short walk to both the beach and town, the home offers an outstanding opportunity to enjoy one of the Jersey Shore s most sought-after communities. Designed with a classic upside-down layout to maximize light and views, the home features five bedrooms, three full baths, and two half baths, beautifully appointed with decorator furnishings and high-end finishes throughout. Custom millwork, tasteful wallpaper accents on the ceilings and stairwell, and carefully curated design details create a sophisticated yet relaxed coastal aesthetic th ...
