About the Property

Welcome to this inviting ranch style home at the end of a private tree lined cul-de-sac. This home has been immaculately maintained and offers many updates to the original structure. There is a living room that flows seamlessly into the large eat-in kitchen and dining area. The three bedrooms are located on the west side of the home. The primary suite has a walk in closet and private bath. The laundry utility room is on the opposite side of the house straight off of the attached garage. At the rear of the home is a three-season room enjoyable for a majority of the year. It leads onto a massive deck and is enshrouded in the privacy of the woods in the rear yard. Some updates include newer roof (10 years), water heater (1 year), and air conditioning compressor (4 years). ...
