About the Property

Welcome to Cape May County's premier active adult community of Osprey Point, and to one of the nicest individual units in the entire community. This 2 BR, 2 BA end unit features an expansive view on the outside and a beautifully updated unit on the inside. The pictures tell the story with an upgraded kitchen and remodeled bathrooms, along with things you can't see like a complete HVAC system and hot water heater replacement within the last 10 years. There is hardwood flooring, including original flooring under the carpets in the living area, an epoxy garage floor, several Anderson Renewal window replacements and a Pella ThermaStar patio slider with blinds. Speaking of the patio, a large retractable awning works to cover you from the sun if desired. Osprey Point is a welcoming community ...
