About the Property

The private and premium location truly makes this an end unit that feels like a single . As you step inside the home your eyes will immediately be drawn to the elegant circular staircase, Cathedral Ceiling, the open floor design and you will know that you have found something special. A Villanova Model with over 2500 square feet of living space has a spacious first floor primary bedroom suite, a bright eat in kitchen with lots of cabinets, stainless steel appliances, pantry closet, and a bar to accommodate extra seating for guests and parties. Sliding glass doors in the large family room lead to an expanded outdoor paver patio perfect for those summer bar b cues. At the top of the staircase is a open second-floor loft ideal for guest sleeping or a home office. 2 additional very large ...
