About the Property

Just completed, this custom home built by Vallese Developers, and professionally furnished by DUNE by Sean Kelly, is completely turnkey and ready for summer enjoyment. Outfitted with 6 ensuite bedrooms, 6 full bathrooms, and 2 powder rooms, the home offers a true park and walk location on the south side of town, just steps from the beach and just over a block to town. The exterior is clad in maintenance-free Hardie lap siding with mitered corners, irrigated flower boxes, Ipe decking, and mahogany deck ceilings. Exposed rafter tails and a Marvin window package in a pebble grey tone accent the home's timeless yet modern design. The first floor is outfitted with 2 bedrooms, both with ensuite baths. The fan favorite room in the home will be the custom-milled bunk room, designed to sleep 4. ...
