About the Property

Experience true coastal living in this stunning bayfront home, tucked away in a quiet setting. Offering privacy, tranquility, and direct access to the water, this one of a kind property delivers the perfect blend of comfort and lifestyle. Completely taken down to the studs and re-built in 2016, the home features major upgrades including a new multi zoned HVAC system, new roof, and a beautifully updated kitchen designed for both everyday living and entertaining. The main living has an open floor plan, creating a bright and airy flow with a wall of windows leading to the massive 16 x 50" deck.
