About the Property

Unlock the potential of this exceptional shore property offering incredible water views and endless possibilities. This unfinished project is already well underway with framing, electrical, plumbing, and HVAC completed, providing a major head start for the next owner. Designed with flexibility in mind, the property could be finished as a spacious 6 bedroom, 3 bathroom single-family home or potentially configured into 3 separate units, making it an attractive opportunity for investors, developers, or buyers looking to create a custom coastal retreat. An elevator shaft is already in place, adding convenience and long-term value to the design. Whether you re looking to build your dream shore getaway, create an income-producing property, or capitalize on a unique investment opportunity, this ...
