About the Property

Introducing a hybrid style townhouse that is the best of both worlds. Featuring multi-level living plus an extra wide second floor that expands the entire length and width of the building. The result is a 27 extra wide decks and panoramic ocean views from inside and out! This unit features 6 bedrooms, 5 baths, an oversized living room, dining room and kitchen, plus a TV nook for the kids. The house was built with a fire suppression system, Hardy siding, Anderson windows and sliders, extra sound insulation and plenty of parking and storage underneath. Upgrades throughout the unit include glass railings, custom trim work, GE Caf series stainless steel appliances and much more! The sellers are original owners who have never rented and have kept the unit in excellent condition!
