About the Property

Welcome to the crown jewel of one of Wildwood's most exciting new construction communities. If you're like most buyers searching the Jersey Shore market, you know that top-floor units in brand-new buildings are a rare find. The elevated position, the light, the privacy, there's simply nothing like it. And when that top-floor unit sits in the heart of a Wildwood that is genuinely having a moment, the opportunity becomes something you don't walk away from. This stunning three-bedroom, two-bathroom top-floor condominium delivers the best of everything Shore living has to offer. Natural light fills every room, the views from the top are yours alone, and the sense of quiet and privacy that comes with being above it all is something you feel the moment you walk through the door. After a long bea ...
