About the Property

This cute beach house in the popular Bayside Village community would be an ideal summer escape or comfortable year-round primary residence. The family room at the rear of the home can easily be used as a third bedroom - it has a full bath and a private entrance that leads to a peaceful back yard. New windows in 2024 (except in the rear family room). The property features leased solar panels for energy efficiency. Roof replaced in 2017 solar panels also added at that time. Flat roof on rear family room addition replaced in 2016. Washer and dryer closet. Spacious front concrete patio. One attached and one freestanding storage shed. Close to Delaware Bay beaches, restaurants, public library, and a short drive to Cape May and Wildwoods attractions. Property is being sold in as is condit ...
