About the Property

Experience elevated coastal living at 7801 Seaview Avenue, an exceptional new construction residence situated on an oversized corner lot just moments from the beach. Designed with a striking modern coastal aesthetic and built for both entertaining and everyday comfort, this expansive 5-bedroom, 4.5-bathroom home offers breathtaking ocean and beach views from both inside and outside the property, creating the ultimate Jersey Shore lifestyle experience. Thoughtfully constructed on pilings with a superior built-up foundation system and fully cemented crawlspace for easy access, storage, and long-term durability, the home showcases premium craftsmanship and upscale finishes throughout. The exterior features a sophisticated blend of modern siding details, decorative stone wrapped foundation acc ...
