About the Property

Check out this beautiful new construction opportunity in the highly desirable Town Bank section of North Cape May, just a short walk from the bay and the best sunsets on the east coast. This thoughtfully designed 4-bedroom, 3.5-bath coastal home offers stylish and comfortable living space, featuring an open-concept layout, a spacious kitchen and pantry, and a first-floor Suite. The second floor includes another primary suite, two additional bedrooms, a full bath, and a dedicated laundry room. Step outside to enjoy your own private backyard oasis complete with an inground pool, perfect for relaxing or entertaining after a day at the beach. Built with quality craftsmanship, Artistic Design, and classic coastal style, this home perfectly combines comfort, function, and charm in one of the are ...
