About the Property

Welcome to 66 Beachhurst Drive, an elegant coastal home that has been fully redesigned from top to bottom, in a prime location close to the Delaware Bay. Let's make this spacious 4-bedroom and 2 full bathrooms home your Summer retreat or your Primary residence! A stunning open-concept floor plan that offers an eat-in kitchen with a 5-foot kitchen island that can seat at least 4 people. Quartz countertops with a marble mosaic backsplash, a farmhouse sink with a Kohler faucet in a gold finish that is absolutely stunning. The kitchen features custom white shaker-style cabinets with gold hardware. The flooring throughout is a Luxury Vinyl Plank (LVP) in a warm honey color. Open concept living that is perfect for gatherings and entertaining family and friends. A front porch and a 12x20 compos ...
