About the Property

404 Gorham Avenue is so much more than a typical 2-bedroom, 1-bath home the standout bonus room adds the kind of flexibility and functionality today's buyers are looking for. Whether used as a guest room, home office, playroom, second living area, or additional sleeping space, this extra room completely transforms the way the home lives, making it feel far larger and more versatile than its bedroom count suggests. Tucked within one of North Cape May's most desirable bay area communities, the home blends coastal charm, modern improvements, and exceptional outdoor living. Inside, you'll find a beautifully renovated kitchen completed in 2024 featuring quartz countertops, all-new appliances, fresh interior paint, and additional updates including a new washer, dryer, and water heater ...
