## About the Property

Built in 2022 and barely lived in, this exceptional 4-bedroom, 2.5-bath home is being offered mostly furnished with high-quality furnishings and upgrades throughout, presenting a rare turnkey opportunity for the discerning buyer. Designed with both elegance and functionality in mind, the home features a bright open-concept layout anchored by a stunning chef's kitchen with Galaxy Frost shaker cabinetry, quartz countertops, tile backsplash, brushed nickel hardware, engineered hardwood flooring, and designer finishes throughout. A formal dining room, private office, and beautifully appointed family room featuring custom wainscoting and a gas fireplace create inviting spaces for both everyday living and entertaining. The luxurious primary suite serves as a private retreat, offering generous
