About the Property

Rare Opportunity New Construction Single Family Home in Townsend Inlet Area with Pool, Elevator & Sunset Views! Exceptional new construction single-family home offering approximately 3,200 square feet of luxury living in the highly desirable Townsend Inlet section of Sea Isle City on sought-after 85th Street. Scheduled for completion in Spring 2027, this stunning 6-bedroom, 5 full bath, 2 half bath residence will feature breathtaking Intracoastal Waterway views from multiple expansive decks and is ideally located just a short stroll to the beach, bay, marinas, shopping, and some of Sea Isle City's most popular restaurants. Thoughtfully designed for entertaining and shore living, the home will feature 5 private en-suite bedrooms, plus a spacious 6th bedroom or bonus family room complete wi ...
