About the Property

This 60 x 110 corner bayfront property, located in one of Stone Harbor s most sought-after neighborhoods, extends 15 feet farther west than any neighboring bulkhead creating a one-of-one waterfront position with exceptional, unobstructed view corridors. With a 3,122 square foot home and a masterfully designed rear yard deck both set up to take advantage of the wide spanning view corridors, this property represents one of the most unique bayfront homes to come to market in quite some time. The elevated pool deck is clad in Ipe and offers enough room for a fixed pier that extends over the water, multiple seating areas, a dining area, a chaise lounge area, and a hot tub. Best of all, this space also offers a gorgeous pool that sits 5 off the bulkhead, creating an infinity-edge ...
