About the Property

New Construction Custom Coastal Luxury in West Cape May Situated on one of West Cape May s most desirable and walkable streets, this newly constructed 3-bedroom, 2.5-bath home showcases exceptional craftsmanship, premium finishes, and timeless coastal design. The exterior features James Hardie siding, architectural asphalt roofing with metal accents, professional landscaping with irrigation system, paver walkways, and a welcoming front porch with mahogany decking and ceilings, creating outstanding curb appeal and low-maintenance coastal living. The open-concept interior is highlighted by wide-plank European oak flooring, custom millwork, coffered ceilings, wainscoting, and abundant natural light from Andersen windows. The chef s kitchen features Caf stainless steel appliances, qu ...
