About the Property

Extraordinary custom-crafted four-bedroom home situated on a corner lot facing west towards Sanctuary Bay in the much-desired southern end of Stone Harbor. The location across Sunset Drive offers unparalleled, unobstructed views of the bay, steps away. It is a short walk to the pristine beach at 110th Street and to the renowned Stone Harbor Bird Sanctuary. Blaine Steinman designed this masterpiece. This home is lavishly landscaped by Garden Greenhouse & Nursery and has a heated inground saltwater pool that offers a luxurious retreat for relaxation with full sun exposure. There is a separate pool house with an outdoor shower and ample storage. Enjoy the summer of 2026 with quick availability. This oasis features four decks, three with spectacular views of the bay, including a third-floor o ...
