\$1,199,000

About the Property

Where nature meets luxury, this extraordinary bayfront retreat offers an unparalleled opportunity to experience coastal living at its finest just moments from Stone Harbor. Nestled within a breathtaking expanse of protected wetlands, this home is a private sanctuary surrounded by panoramic water and sunset views, widely regarded as some of the most captivating in all of South Jersey. A short bridge away from Stone Harbor's pristine beaches, this property perfectly balances seclusion with convenience. First Floor The entry level welcomes you with two spacious bedrooms, a full bathroom, a dedicated laundry area, and an attached, finished one-car garage, ideal for guests or flexible living arrangements. Second Floor Main Living Level Designed to impress, the second floor features an ...
