About the Property

Located on a corner lot in the Bay Gardens neighborhood of North Cape May, this beautifully updated 3-bedroom, 2-bath home combines modern improvements with a flexible floor plan designed for year-round living or seasonal enjoyment. Extensively renovated in 2024, the home features a renovated kitchen with new appliances, luxury vinyl flooring throughout, a marble fireplace, and a tankless water heater installed in 2024. In addition to the spacious living area, a versatile bonus room provides the flexibility for a home office, den, playroom, or additional gathering space to suit your needs. Outdoor amenities include a large deck and outdoor shower, creating an inviting space to relax after a day at the beach or entertain family and friends. The generous corner lot offers plenty of outdoor ...
