About the Property

Prominently situated on an extra-deep Avalon Fingers bayfront lot with coveted western exposure, this extraordinary custom residence captures sweeping sunset views while offering a rare combination of scale, thoughtful design, and resort-style waterfront living. Boasting approximately 150 feet of high ground, the property checks virtually every box sought by today's luxury bayfront buyer, including six spacious bedrooms, six full bathrooms, a four-stop elevator, an attached garage, an exceptional rear-yard entertaining area, and two deep-water boat slips just minutes from fast water. The home's impressive scale is immediately apparent upon entering the dramatic three-story foyer. The bayfront first floor was designed with entertaining in mind, anchored by a spacious family room featuring a ...
