Priced at

$329,000

About the Property

If you re looking for a warm, character-filled home to make your own, this beautifully kept 3-bedroom, 2-bathroom ranch is the perfect find especially for a first-time buyer. Spanning 1,859 square feet of single-story living, all furniture comes included with the sale, making this a truly turn-key, stress-free move.The cozy layout features a spacious living room with a unique wood-burning fireplace and gas line, plus an adjoining living dining space with a built-in dining table. The efficient kitchen includes a two-chair breakfast bar and stainless steel appliances. All bedrooms are highly organized with custom California Closets. For extra space, you also get a separate den and a massive family room with vaulted ceilings.The fully fenced backyard offers excellent privacy with no house ...
