About the Property

A true blank canvas waiting to be transformed into a masterpiece. This two bedroom one bath cottage in North Cape May has been gutted to the studs and is ready to be re-imagined to create the ideal home or Shore getaway. An expansive 70 x 125 lot, enclosed porch and large, detached garage add to the possibilities. The Seller is unaware of any mold issues, including under the subfloors which have been kept for showing purposes. The Seller will escrow funds at settlement to have the subfloors removed to the floor joists after the sale. Property being sold as-is
