About the Property

Welcome to this beautifully maintained 4-bedroom, 2 -bath home, ideally situated on a peaceful cul-de-sac and offering approximately 2,500square feet of comfortable living space. From the moment you arrive, elegant slate pavers lead you to the inviting front entrance, setting the stage for the quality and care found throughout. Inside, you'll find a welcoming tile foyer, beautiful hardwood floors, and a spacious floor plan designed for everyday living and entertaining. The primary suite features a private en-suite bath and custom-built bedroom furniture that is included with the home. A separate studio in-law suite provides exceptional flexibility for extended family, guests, a home office, or creative space. Step outside to your own backyard retreat featuring a sparkling 18' x 36' in-gro ...
