About the Property

Private Backyard Oasis 6 Bedrooms 3 Baths Ideal for Multi-Generational Living. Tucked away on a quiet cul-de-sac street with no through traffic, 11 Aspen Drive offers the rare combination of privacy, flexibility, and exceptional living space. With six bedrooms, three and a half baths, and multiple living areas thoughtfully designed for today's changing lifestyles, this one-of-a-kind property is perfect for multi-generational living, extended family, or anyone simply looking for room to spread out. The main living area welcomes you with a spacious living room centered around a cozy gas fireplace and an open kitchen and dining area featuring attractive laminate flooring. The beautifully updated kitchen is appointed with smudge-proof black stainless steel appliances, granite cou ...
