About the Property

BACK ON THE MARKET AND LET'S ADDRESS THE ELEPHANT IN THE ROOM. Yes, 321 N Harvard was previously under contract. During the buyer's due diligence, several inspection items were identified. Rather than immediately returning the home to market, the sellers chose to pause, address the items, and complete the repairs before welcoming the next buyer. Today, this beautifully renovated Ventnor Heights home is back and ready for its next chapter. Beautiful renovation. Repairs completed. Another set of professional eyes. And a seller who wanted to do it right. Welcome back to 321 N Harvard.
