About the Property

Welcome to this charming 3-bedroom, 2-bathroom home in the heart of Villas, offering comfort, space, and thoughtful updates throughout. Situated on a generously sized lot, this property features two separate living areas, providing plenty of room for relaxing, entertaining, or creating a home office or playroom. The home was partially renovated in 2019 with improvements, including the HVAC system, tankless hot water heater, and updated finishes. A brand-new A C condenser installed in 2026 adds even more value and peace of mind. One of the three bedrooms includes its own private bathroom, creating a comfortable primary suite or guest retreat. The inviting fireplace serves as the focal point of the main living space, adding warmth and character. Step outside to enjoy the spacious patio an ...
