About the Property

Wildwood Beach Property Experience the best of the Wildwood shore lifestyle in this beautifully maintained second-floor condominium, ideally located just two blocks from the beach and boardwalk. This spacious 4-bedroom, 2-bath home offers an open, modern floor plan designed for entertaining and relaxing after a day at the beach. The expansive great room features soaring cathedral ceilings, creating a bright and airy living space that flows seamlessly into the dining area and kitchen. The well-appointed kitchen offers granite countertops, ample cabinetry, and an open design that keeps everyone connected while entertaining. Wide-plank engineered vinyl flooring adds both style and durability throughout the main living areas. The property is being offered fully furnished, excluding a few pe ...
