About the Property

New Construction Townhome built by renowned local builder Mike Mitchell of MW of Wildwood, scheduled for completion in Fall 2026. This beautiful home offers 5 spacious bedrooms, 3.5 baths, a large yard, and a private 2-car garage with additional parking for two more vehicles in the driveway. The builder has thoughtfully fitted the home for a future elevator, with a full shaft already framed. Buyers may upgrade to an elevator now or use the space as oversized pantries until they choose to install one. These two townhomes sit on an oversized 70 100 lot, providing rare outdoor space and a true single-family feel. The adjacent unit at 2100 is already under contract making this the last available unit available on this site. This unit is centrally located in North Wildwood, just moments ...
