About the Property

Welcome to your dream beach house in the heart of West Wildwood! Built in 2022, this stunning 3-bedroom, 2-bath home combines modern farmhouse style with relaxed coastal living and breathtaking canal and Grassy Sound views, with additional living entertaining space for exceptional square footage. Thoughtfully designed for both everyday living and entertaining, the open-concept layout is filled with natural light and features high-end finishes throughout. Ground level entry with access to the oversized garage which provides ample space for vehicles, golf carts, bikes, beach gear, and all your water toys. Additionally, the garage is both heated and cooled, which is an upgrade not normally included in most new builds. On the second level, you'll find a spacious second-floor lounge complete wi ...
