About the Property

If privacy, acreage, and an exceptionally well-maintained home are what you have been searching for, look no further than 5 Springers Mill Road. Set on more than 2.73 acres and backing up to a wildlife preserve, this 4-bedroom, 3-bathroom, single-family home is located just minutes from town and the beach and offers an ideal setting for the entire family. The landscaping has been meticulously maintained, beginning with a long, tree-lined driveway that welcomes you to a large concrete pad and bluestone steps leading to the front entrance. Inside, the first floor offers three distinct gathering spaces, along with a dining room featuring a wood-paneled coffered ceiling and an extensive custom trim package that continues throughout the home. Gorgeous inch cherry hardwood floors and solid-p ...
