About the Property

Room for everyone. Clean with good bones and beautiful back yard on a corner lot. First floor has spacious living room, full bath, 2 bedrooms, and updated kitchen with a pantry closet. Nice Florida room off the kitchen which leads onto a newer deck. Great for entertaining family and friends. Second floor is a converted attic with lots of natural light and space with a private bedroom, large play office area and a half bath. Lots of storage. A wonderful space to remake a master or the ultimate kid's hangout sleeping space. An extra is another full 20x40 building with full electric. So many possibilities to make it whatever you want. Off-street parking on a nice wide street. Being sold "as is". This home has so much to offer for anyone wanting to make a home for memories with family and ...
