About the Property

This well-maintained home with spacious in-law quarters sits on a quiet wooded lot just a short drive from Avalon, Stone Harbor, the Wildwoods, and Cape May. Built in 2006 with the addition of the in-law quarters in 2011, the house boasts 6 bedrooms, 3.5 bathrooms, and ample living spaces both inside and out. The first floor in-law quarters with its own driveway and private entrance offers the flexibility to adjust as needs change. Whether for multi-generational living or separate work office space tucked away from the rest of your home, this property provides plenty of opportunity to fit your custom needs. The remainder of the house is over 3800 square feet of living space. This includes an open floor plan between living, dining, and kitchen areas making for easy entertaining. Additiona ...
